

East Jefferson Beekeepers Association

Honeybee Swarm Removal List

For Official Use Only

This is a list of volunteers who will remove honeybee swarms or colonies in structures free of charge. Only honeybees will be handled free of charge, but some beekeepers will also handle other species for a negotiated fee.

Although East Jefferson Beekeepers Association maintains this list as a public service, the association accepts no liability for its use. Any interactions between the beekeeper and the property owner are strictly the responsibility of those parties.

List of Areas

1. Port Townsend
2. Tri Area
3. Quilcene and South
4. Discovery Bay
5. West of Discovery Bay
6. Marrowstone Island
7. Bridge to Center Road

List of Codes

- A – Will remove hornets, wasps, yellow jackets and bumblebees
- B – Will travel some distance to remove honeybees
- C – Will remove honeybees from structures
- D – Will remove insects from structures and repair structures if requested.
- E – Will work with free swarms – included in all other codes

Questions to ask about Swarms

1. What color are the bees?
2. Where are the bees?
3. What is the bee activity?
4. Just before you leave: Are they still there
